

MAA League Registration

Frequently Asked Questions

Age verification - All first-time registrants must provide a "COPY" of birth certificate or baptismal record at registration. Please do not send an original document as we cannot be responsible to send them back to you.

Player Eligibility - All MAA participants must be a resident of the city of Muskego, or be a student in the Muskego-Norway School District, or attend one of the private schools in the Muskego-Norway school district area. Proof of residency or school attendance may be requested.

FAQs - The following are answers to frequently asked questions we receive.

Q: When will the season start?

A: With the exception of the senior leagues, the season will begin the First Monday after May 15th and end in early July. The senior leagues season will start around mid June.

Q: When will I be contacted about what team my child is on?

A: The coaches meetings are usually held the 2nd or 3rd week in April. Your child will be contacted shortly after that. Children in the Sr program will not be contacted until mid to late May.

Q: What days will practices be?

A: Practice schedules are determined by the coaches. The coaches will usually work with the parents to determine the days that work best for most families. Practices for the T-Ball league are held before each game.

Q: My child has a birthday during the summer, what league will they be in?

A: The MAA uses the age your child will be on September 1st of that playing season to determine their age and appropriate league. As an example: If your son or daughter is currently 6 years old, but they will turn 7 in August of this year, they would sign up for the Pee-Wee baseball league.

Q: I registered my child online and the registration system says they are 10, but they are 9. My child won't be 10 until August.

A: The MAA determines which league your child should be in based on their age as of September 1st of the current playing season. The online registration application makes that calculation automatically and displays how old they will be on September 1st.

Q: What time are the games played?

A: On weeknights, all of the leagues start no earlier than between 5:30-6:00PM. Some leagues start later on some nights. On Saturdays, T-Ball and Pee-Wee will start at 9:00AM and 10:30AM respectively. Game times are subject to change.

Q: My child is just starting T-Ball and they are very shy, are parents allowed to participate and help out?

A: Absolutely yes! The T-Ball league is very much a learning league and the coaches in this league depend on help from the parents. Usually there are 3 or more coaches (parents) in the field with the kids helping to coach them on what to do. We get a lot of shy kids and they usually end up making 10 or 11 new friends.
